Thanks Reyhan.

We will accept your written remarks by the end of this week.

Please cc Diane Salkie on the email as I will be out of the office on Friday and won't want to delay getting the material over to CSTAG.

Thanks,

Hi Jen,

Clay and I will not be providing a presentation but would like to submit a short letter on behalf of the Federal Trustees for EPA's consideration. We realize you requested written remarks by last week and are wondering if you would still accept something by the end of this week. Please let us know. Also, I'd like to attend the stakeholder portion of the meeting if that's still possible. Thanks!
